## 6th Sunday in Ordinary Time Year B

In the Gospel for this week, Mark 1:40-45, we witness a profound moment where Jesus, moved by compassion, heals a man afflicted with leprosy. This encounter isn't just a miraculous healing; it's a testament to Jesus' radical approach to love and inclusion. By reaching out to touch the leper, Jesus breaks societal norms and religious laws that dictate purity.

This act is revolutionary, signifying that no person is beyond the reach of God's love. Jesus' willingness to become "unclean" to restore another's health and dignity challenges us to reconsider our own attitudes towards the marginalized and the outcast in our society. It invites us to ask ourselves: Are we willing to extend our hands and hearts, even if it means crossing the boundaries of our comfort zones?

**Prayer Intentions:** As we come to the end of Children's Mental Health Week, we pray that those who are suffering with their mental health find support, peace and compassion.

## Virtue to Live By

Our Current Virtue to Live By is **Love of Neighbour**

You **love your neighbour** when:

You treat others as you want to be treated

You say kind and loving things

You share your things with others

You do little things for others that make them happy

You notice when someone needs your help

You show you care by listening to others

## Gospel Assembly

After half term, we will return to school in the season of Lent. In the first of our Lenten assembly series focussing on God's Perfect Promises, children will explore the symbol of the rainbow given to Noah as a sign of hope. Lent is a time to remember that Jesus is the fulfilment of all our hopes!

Going Forth: How can you share God's hope with others this Lent when you GIVE, ACT and PRAY?
